*Nature's Elegance*

It has been ages now Man has been fascinated by Marble, above all Italian Marble.

Italian Marble is most beautiful, has captured the imaginations of Designers and appreciated world wide. This age old Marble has inspired the worlds greatest Architects, designers and will continue in future too.

After mastering the Natural stone industry **Midwest Group** now offers you an extensive range of imported natural marble under Brand name **Sam Marble**.

## *Nature's Elegance*

**Sam marble** range is processed at M/s.South asia granite & marble pvt. Ltd., Sri Lanka, promoted by Midwest Group, this unit is strategically located to serve the projects in south asia region.

**Sam Marble** is set to win the hearts of marble specifiers & users, by offering a wide range of soothing shades to enable their dreams come true.

Our proactive approach ensures that we remain at the forefront of innovation and design to help you create the ideal flooring solutions.
